SCH's Breastfeeding Support Group offers FREE support and encouragement to new mothers. The program is facilitated by an International Board Certified Lactation Consultant.

Weekly topics include information on:

- Preparing to breastfeed (pregnant mothers welcome)
- Encouragement
- Latch
- Mastitis
- Weaning
- Sleep
- Returning to work
- Problem solving

No registration required, drop in any or every Friday!
Do not have to be a SCH patient to attend.

Free baby weight checks also available.

To ensure privacy, this support group is exclusively for mothers and their breastfeeding babies only.
