Patients who are unable to keep a scheduled appointment must cancel prior to 24 hours of the appointment. Appointments cancelled less than 24 hours in advance, or not all, may subject the patient to scheduling restrictions after the third occurrence.

I acknowledge that I am aware SCH's "*Notice of Privacy Practices*" for protected health information is available in the waiting area of each department or on the website at shencommhealth.com. A printed copy is available by request.

I authorize staff of SCH to take my picture or scan my photo ID and place it in my Electronic Medical Record for purposes of identification. In addition, I also give consent to SCH to take photographs of rashes, endoscopy, colonoscopy, and other medical images for the purpose of medical documentation. I understand that photographs will be protected as part of my medical record and unless otherwise required by federal or state law as noted in the SCH "*Notice of Privacy Practices*," will not be released without my authorization.

During the course of care and treatment, I understand that various types of examinations, tests, diagnostics or procedures may be necessary. This may include, but is not limited to, hearing and/or vision screening, laboratory testing, urine drug screening, injections, and other testing that the provider deems necessary. If I have any questions concerning these procedures, I will ask my clinician to provide me with additional information. I also understand my provider may ask me to sign additional Informed Consent documents related to specific procedures.

I understand that my substance use disorder records are protected under federal law, including the federal regulations governing the confidentiality of substance use disorder patient records, 42 C.F.R.
