LATE ARRIVAL / CANCELTION / NO SHOW

We do our very best to stay on schedule. We also understand that from time to time an emergency will arise and you may be late or miss an appointment.

We reserve the right to reschedule patients if they are not on time for their appointment. Please call if you are running late.

Please give 24 hour notice to cancel or reschedule an appointment. An appointment not cancelled with 24 hour notice is considered a no show appointment.

We do have a strict no show policy. The **FIRST** broken appointment, **NO** new appointments will be given within 2 weeks. The **SECOND** broken appointment, **NO** new appointments will be given within 4 weeks. The **THIRD** broken appointment, **ONLY** same day appointments will be given.

PARENT / LEGAL GUARDIAN

All children must be accompanied by a parent or legal guardian (with court papers) for each visit and remain present during the entire appointment.

In order to allow another adult to bring your child to the appointment they must be listed on the consent form.

If the adult accompanying you child is not on the consent form they must provide a note with the following information: name and birth date of the child, name of adult accompanying the child, any current medical conditions or medications, consent for treatment being provided that day and the signature and phone number of the parent and today's date.

ACCOMPANYING CHILDREN TO EXAM ROOMS

We would like to continue to offer the parents of our patients the privilege to accompany their children to our child friendly operatories during their dental visit. In order to continue this offer we need the parent/guardian to follow these procedures:

It is necessary to ask that only **ONE** adult accompany their child to the clinical area.

All siblings of patients must remain in the waiting area with accompanying adult. Children under the age of 11 are unable to remain in waiting area without adult supervision.

For the protection of your child and our staff, we are unable to watch your children during scheduled appointments.

Adults cannot have children in the operatories while they are being treated.

If the patient should become uncooperative at any time during treatment, and the provider feels it would be in the best interest of the patient, it may be necessary to ask the parent to be seated in the waiting area for the remainder of the appointment.

Restorative appointments- Only one parent is allowed to accompany child to operatory until treatment begins. Once treatment begins we will ask all parents remain in the waiting area.

SIBLING APPOINTMENT

Due to the number of no show and broken appointments we will no longer be scheduling more than two siblings together in one day.

If we are scheduling more than one sibling, they must be able to be alone in the exam room.

If you wish to accompany your child to the exam room you must have a second adult over the age of 18 to remain in the waiting room with the sibling while you are in the exam room.
