

DO YOU HAVE MEDICAID?

IMPORTANT CHANGES
STARTING MARCH 2023!

Confirm your address is correct with DHHR through www.wvpath.org

Watch and respond to all notices from DHHR.

Your local health center or WV Navigator can help you through the process.

WHAT DO YOU NEED TO DO?

During the COVID pandemic, most people were unable to lose Medicaid. Starting in March 2023, DHHR (Medicaid office) will begin looking at who is eligible. DHHR will send you notices in the mail to let you know what you need to do. If you lose Medicaid, there are more options available. Take the steps above to make sure you continue to have health coverage.
