

Now Offering THIRD DOSE

to Priority Groups.*

**As recommended by the CDC, currently those who are moderately to severely immunocompromised.*

If you meet eligibility criteria for immunocompromised and received your second dose of the Moderna vaccine at least 28 days ago, you may now schedule to receive your third dose by calling **304.263.4999**.

These items must be presented at time of appointment:

- driver's license or photo ID
- insurance information
- vaccination card
- documentation or physician's order verifying immunocompromised diagnosis

At this time, we are only providing the Moderna third dose vaccine to those who received Moderna for their first and second doses.
