

Pre-K/K Immunization Consent Form

Shenandoah Community Health can provide your child with the required immunizations for school along with the recommended immunizations by the Center for Disease Control (CDC) during weekly school-based health hours. These immunizations can be given, at no cost to you, through the Vaccines for Children’s Program (VFC) or billed through your insurance which normally covers preventive services, i.e. immunizations, at 100%. A School-Based Health Enrollment Packet must be completed for your child to receive immunizations.

The West Virginia Immunization Requirements for new school enterers are:

- Hepatitis B**
- DTaP** (diphtheria, tetanus, and acellular pertussis)
- Varicella**
- IPV** (inactivated polio virus)
- MMR** (measles, mumps, and rubella)

Please initial that you give Shenandoah Community Health permission to administer the vaccine(s) indicated above to the student named below.

Child/Student’s Name: _____ DOB: _____

Parent or Legal Guardian Signature: _____ Date: _____
